

The FCC should not implement any proposal that would lessen
Indiana's Telephone Privacy law protections. Indiana's Telephone Privacy law
has improved my time at home. Indiana's law has been
very effective. I used to receive 10 calls per week, now I only receive about
one per month.

My personal view is that if I want to do business with a company or business, I
will call them. If I do not call them, I do not want to do business with them.
